experience in resolving problems, meeting emergencies, and interpreting departmental policies and regulations within the parameters defined by Tribal laws, codes, ordinances and plans. This position supervises the Game Enforcement Officer position.

This position is in the Enforcement Program of the Natural Resource Department.

MAJOR DUTIES AND RESPONSIBILITIES

1. Complete routine monthly and quarterly reports, and other reports as assigned.
2. Attend meetings as directed.
3. Investigate potential violations of the Tribal Wildlife Management Plan, Wood Gathering Code and Camping Code.
4. Issue citations to Tribal members for game, fish, trapping, camping and woodcutting violations.
5. Patrol within the Klamath Tribal Treaty Rights area.
6. Report wood cutting, camping, trapping and fish and game citations to supervisor.
7. Review and evaluate reports from various sources. Follow up as appropriate using established practices and procedures.
8. Exercise the full range of supervisory duties for enforcement officers if applicable. Perform overall work planning, establish work schedule and priorities, assign and review work. Personally discuss the progress or the work and problem areas as they arise. Recommend employee status and other personnel changes. Approve leave. Evaluate performance. Identify training needs and ensure that training opportunities are provided. Resolve complaints or minor grievances and advise employee on matters related to less than adequate performance. Keep employee informed of management policies and goals.
9. Contact appropriate Federal, State, or local law enforcement authorities to report fish and game violations by non-Indians of Federal, State and local laws.
10. Recommend improvements to, or design new, work methods and procedures within the Enforcement Program.

Page 2 of 6

11. Plan and perform work with assistance from supervisor as needed.
12. Enforce, and adhere to, all policies and procedures of the Klamath Tribal Wildlife Management Plan, Wood Gathering Code and Camping Code that are applicable to the Enforcement Program.
13. Maintain complete, accurate and orderly records and files.
14. Other duties as assigned.

SUPERVISORY CONTROLS

Work is performed under the direct supervision of the Natural Resource Director who provides general instructions. Work is assigned in terms of functional/organizational objectives.

Employee works independently, resolves problems on the basis of past precedents; exercises judgment in interpreting guidelines and applicability; ensures deadlines are met. Employee must exercise a high degree of personal responsibility for sound judgment and decision-making.

Employee plans and carries out various functions by selecting and using approved methods and techniques as appropriate. Work assignments are reviewed for quality and compliance with established policies, procedures, laws, and regulations.

KNOWLEDGE, SKILLS, AND ABILITIES

General knowledge of Federal laws, regulations, rules, techniques, and procedures in order to plan, organize, develop and advise on investigative activities.

General knowledge of Federal and Tribal court decisions and revisions of laws, new legal procedures, regulations, and development as each apply to fish and game management and investigative activities.

Strong working knowledge of fish and game related legal terms and concepts. Ability to apply these concepts.

General knowledge of a wide range of concepts, principles, and practices of fish and game management.

Skill and ability to provide oral and written reports in an accurate, concise and objective manner.

Position Description: Lead Enforcement Officer
