CLASSIFICATION: Professional/Management, Regular, Full-Time

LOCATION: The Klamath Tribes
Planning Department
501 Chiloquin Blvd.
Chiloquin, OR 97624

INTRODUCTION

The Planning Director, under the general policy direction from the General Manager, will provide management, leadership, supervision, and coordination for the Planning Department and staff. The Planning Director performs the overall planning, execution, and evaluation of Tribal programs and services within the department and completes work in compliance with Klamath

Position Description: Planning Director

Revised: 05/2018

Page 1 of 6

Tribal and other applicable laws, policies, procedures, and regulations. This includes, but is not limited to the performance of Self-Monitoring activities and for the reporting of findings and recommendations to upper management.

The Planning Department is responsible for facilitation and administration of the Tribe's comprehensive plan, related development and land use ordinances and policies; department budget: development, monitoring, and control; community development; strategic planning; Self-Monitoring Activities; transportation planning; environmental reviews; development and maintenance of the Tribal Real Estate/Property Management System; Trust Services such as Fee-to-Trust procedures; and the oversight of Tribal land acquisition, disposal, rights-of-way, permits, leasing; and sales.

MAJOR DUTIES AND RESPONSIBILITIES

1. Exercise the full range of supervisory duties for department staff and activities. Perform overall work planning, establish work schedules and priorities, and assign and review work. Ensure departmental work progress and address problem areas as they arise. Recommend employee status and other personnel changes, approve leave, evaluate performance, identify training needs, and ensure that training opportunities are provided. Resolve complaints or minor grievances, and advise employees on matters related to less than adequate performance. Keep employees informed of management policies and goals.
2. Facilitate and oversee the development and implementation of the Klamath Tribes' comprehensive and strategic plan; coordinate and plan for land acquisition and land use, including the development of a land use plan and ordinance.
3. Develop, coordinate, prepare, and revise various plans and implementation strategies (including grants, contracts, and loan applications) for community development, land acquisition, land use, and for the overall Tribal development efforts which are designed to support the long-term self-sufficiency of the Klamath Tribes and Klamath Tribal members.
4. Coordinate and assist in the project planning and development of Tribal programs and economic and business development opportunities, including site planning and development, facilities planning and design, and identification of available funding sources.
5. Serve as the Internal Program Monitor (IPM) for Self-Monitoring Activities. The IPM will collaborate with Department Directors and provide technical assistance with self-monitoring activities and operations.

Position Description: Planning Director

Revised: 05/2018

Page 2 of 7

6. The IPM will conduct on-site assessments and review records relevant to program administration, including source documents and program guidelines. This monitoring system provides a mechanism that assists tribal programs to continuously improve services and achieve the best possible outcome.
7. The IPM will develop a Plan of Self-Monitoring activities and operation and submit to the Tribal Administrators for approval on an annual basis.
8. The IPM will develop a Self-Monitoring Annual Report that communicates the outcomes of the self-monitoring activities as written in the Annual Self-Monitoring Plan.
9. Launch initiative to secure funding resources and assist with maintaining current grants to support, develop, and maintain Tribal Planning Department.
10. Keep abreast and make recommendations regarding local land use matters that may affect the Klamath Tribes' rights and interests.
11. Maintain governmental, social, and economic data pertaining to the Tribes for use in the wide range of Klamath Tribes programmatic, social, and community planning activities.
12. Collaborate and coordinate with staff, Tribal committees, and government entities as appropriate throughout planning and implementation processes.
13. Conduct and coordinate research regarding all aspects of economic and social development efforts, to be used as input in various plans, implementation strategies, and other Tribal documents.
14. Plan, develop, implement, and monitor the programs within the Planning Department.
15. Manage existing grants, contracts, and MOU's under departmental supervision and seek alternate funding to support existing operations and/or new projects.
16. Ensure that departmental funds and accounts are properly secured and managed in accordance with Tribal and applicable policies and procedures.
17. Create, develop, implement, and promote innovative partnerships with appropriate local, state, and federal agencies.
18. Prepare annual budgets and plans for programs within the department. Review and monitor program expenditures to ensure established budgetary constraints are maintained.

Position Description: Planning Director

Revised: 05/2018

Page 3 of 7

19. Ensure clear and effective policy and regulatory administration and compliance procedures.
20. Prepare, present, and submit applications, data, and reports to granting agencies in coordination with Tribal Departments and staff.
21. Work closely with the General Manager, and as appropriate the Tribal Council, staff, Tribal advisory committees, federal and non-federal agencies and organizations, Tribal members, and the general public.
22. Ensure that the General Manager has the information and assistance necessary to assess or respond to the actions or decisions of the Tribal Council and other public, private, or special interest groups whose acts may affect the rights, interests, or opportunities of the Tribes.
23. Keep the General Manager informed of Planning issues and priorities. Provide monthly and quarterly reports, as directed.
24. Develop short-term and long-term goals and objectives for department programs. Develop and implement work plans and procedures regarding those goals.
25. Develop and maintain records and prepare reports and documents related to departmental programs and activities.
26. Implement, supervise, and evaluate special, short-term projects, as assigned.
27. Other duties as assigned.

SUPERVISORY CONTROLS

The General Manager outlines the overall Tribal and/or program objectives and priorities, time limits, and the financial and personnel resources available. The employee plans and schedules recurring work, handles problems, and completes work using own initiative, exercising judgment according to previous training, experience, and instructions.

Work is reviewed from an overall standpoint in terms of meeting objectives, effectiveness, and compliance with laws, regulations, policies, and procedures.

The Planning Director supervises the professional and support staff of the Planning Department.
