Seasonal Job Opportunitites - Forestry and Wildland Fire

The Klamath Tribes Natural Resources Department periodically hires temporary employees to work on forest restoration treatments to protect and enhance Treaty Resources. Over the past decade the department has prepared more than 35,000 acres of restoration treatments and we're expanding the program.

In addition, the Natural Resources Department is building a fire program and will be hiring firefighters to perform wildfire suppression, implement cultural burning projects and prescribed fire. Firefighter training begins in fall 2022.

If you're interested in working for the forestry crew or as a firefighter, please apply now.
