What's Happening?

waq lisi-Klamath/Modoc; ha?o ii-Paiute
(how are you) families?

Hopefully summer has brought new opportunities to get outdoors with your family and enjoy the wonderful weather. As you know, ECDC runs our program through the summer to offer students uninterrupted care and education. This is especially valuable for students that are making their way to Kindergarten in the fall, allowing them extra time and support before the big change. If you have a child transitioning to Kindergarten this year, your child's teacher will be meeting with you soon to discuss next steps. ECDC welcomes you to join us *August 30th at 3:00pm* to recognize the amazing growth of all of our students during our 2023 Graduation Ceremony.

ECDC is excited to announce the addition of a new program to our existing services. We will be accepting applications beginning July 17th for a school-age enrichment program for children ages 6 through 12 years old that attend local public or private schools. Services will be offered after school, and at times that school is not in regular session (i.e. summer break, spring break, teacher prep days). If you are interested in applying or have questions, please see contact information below.

Center Closures

July 4 (Holiday)

July 21 (In-service)

We had a great turnout for May's family gathering and students were able to plant a variety of

vegetables and herbs with their families. For those that attended, your seedlings should have sprouted and may be ready to be transplanted outside, depending on the plant. If you would like to share, we would love to hear how your plants are doing.

June's family event allowed us to introduce a new family engagement program the center will be using, ReadyRosie. Even if you couldn't join us at the introduction, all families should have received an invite to join through email or text. Please reach out to your child's teacher if you have not received anything or have questions.

This month, our family event will be held in-person at the center, Monday July 17th at 5:30pm. Flyer with more information to come soon.
